

IMMERSIVE BIBLE STUDY
HOSTED BY PASTOR MARION
IN WESLEY GROVE UMC ROOM 32
EVERY WEDNESDAY MARCH 1 - APRIL 5

Are you interested in knowing more about the **last week of Jesus's life**? Are you curious to know why it is so extraordinarily **important for Christians**? Come explore its importance and why it matters so greatly through our **Lenten Bible Study**.

We will seek to explore the answers to these questions by studying the stories behind the story. This exploration will be **nothing short of fascinating**, especially, when viewed against the backdrop of our **social context today**.
